The largely successful trajectory of participatory democracy in post-1988 Brazil is well documented, but much less is known about its origins in the 1970s and early 1980s. In *Participatory Democracy in Brazil: Socioeconomic and Political Origins*, J. Ricardo Tranjan

recounts the creation of participatory democracy in Brazil. [Participatory democracy - Wikipedia](#)

A World Bank study found that participatory democracy in these cities seemed to result in considerable improvement in the quality of life for residents. In the early 21st century, low profile experiments in participatory democracy began to spread throughout South and North Americas, to China and across the European Union.
